VFW Events on the Google Play Store

2. Create an Account. You'll need to create a new login for each event you attend. You'll need access to a working email address, you will need to confirm your email to access the event.

3. Log In to Gain Access.

Once your account is created, you'll have full access to the event app.

Troubleshooting Steps:

- Incorrect password: Press the "forgot password" button to change your password, check your email, change the password and then enter your new password and log in.

- "Oops! Something went wrong. Please contact EventMobi" message: The app is only supported on devices running iOS 12 or Android 5.0 and up. Please access the app using eventmobi.com/vfwcdc2023.

If you cannot access the app for any reason, use the browser version at eventmobi.com/vfwcdc2023.

For assistance with troubleshooting app issues, please contact communications@vfw.org.

The event information, agenda, maps and documents included in the VFW Events app are subject to change leading up to and during the event as new information is made available.
